

Ship of Tolerance

Jeddah

**ROOTED IN OUR VALUES
CONNECTED TO THE WORLD**

ABOUT THE SHIP OF TOLERANCE JEDDAH 2026

Initiated in Saudi Arabia during the Year of Handicrafts, the Ship of Tolerance Jeddah 2026 became a living public artwork created by students from 10 diverse local and international schools in Jeddah. Through art, music, and collaboration, students expressed their voices and values, grounding the project in the cultural heritage, history, and shared identity of Saudi Arabia.

This publication documents the students and schools who contributed to the project and celebrates their collective effort in bringing the Ship of Tolerance to life in Jeddah. It stands as a record of a historic collaboration that connected education, art, and community in a shared message of tolerance and cultural dialogue.
